

# SUMMER SWIMMING LESSON

\$50

Starting July 7 - Aug 1  
Monday - Wednesday - Friday  
Register by July 4

## Level 1 - Beginner

For children who are new to swimming and still hesitant in the water. This class focuses on learning basic water skills and building confidence. No prior experience needed

## Level 2 - Intermediate

For children who are comfortable being in the water and confident in shallow depths, This class focuses on strengthening basic skills that your child already has, and building confidence in swimming without support.

## Level 3 - Advanced

For children who can swim short distances independently and are ready to refine their strokes. This class focuses on improving technique and building endurance.
