

Hunter Education Skills Session

Fayette

Hunter education is designed for those born on or after Jan. 1, 1967 who intend to partake in any form of hunting.

There are two options to completing hunter education:

1. A two-step method for those ages 11 and older that consists on a knowledge and skills portion.
2. An all online method for those ages 16 and older.

The two-step method requires an in-person skills session. One of these sessions will be held in Howard County soon.

Register for this skills session at <http://short.mdc.mo.gov/oxi>.

Oct. 17 from 9 a.m. - 1 p.m.

Keller Building

600 W. Morrison
St. in Fayette

For questions or comments, contact Conservation Agent Trent Oberg at trent.oberg@mdc.mo.gov or by phone at (660) 287-0014.
